

USED BOOK SALE

Books are to have a 3 x 5 index card taped to the inside front cover. Please tape securely, but not permanently. (We will need to remove them.)

If taping the card to the front cover please tape all four sides of the card.

The card should read as follows:

Example card

<u>Title of book</u> <i>empty space</i>	
<u>Grade level</u> <i>of graded material only</i> O R <u>Category</u> <i>empty space</i>	<i>No extra costs! No extra numbers to confuse the check out person, less numbers less confusion.</i>
<u>Cost</u> <i>of item only</i> * Firm * <i>empty space</i>	
<u>Your name</u> <div style="border: 1px solid black; padding: 5px; width: fit-content; margin: 10px auto;"><i>Your name can be an Address label.</i></div>	

Painters tape works really well for taping cards to books without tearing the books when removed.

All bold and underlined items are * required *
to sell at **CGCHE** fair.

If you are willing to accept half price for your books on the second day of the sale, **DO NOT MARK THEM *FIRM***.

Books marked FIRM are still for sale on Saturday but at the marked price.

***No sticky notes or 3 x 5 sticky note cards.** We sorted over 10,000 items. We don't need the cards sticking to the other cards.

*** Thickness matters and size matters** It is easier to lose or misplace cards that are thin or too small. Oversized cards take up too much space on the sorting table when putting cards in alphabetical order for the seller to get their money.
